

## LOCAL MATTERS.

**WEATHER PROBABILITIES.**—War Department, Office of the Chief Signal Officer, Washington, D. C., April 29, 1878.—10:30 a. m.—For the Middle Atlantic States northwest to southwest winds, stationary or higher temperatures, falling, followed by rising barometer, partly cloudy weather and occasional rains.

**THEATRE.**—The (tangible and emotional) drama of "Miriam's Crime," or the Last Will and the laughable farce of "Out to Nurse," will be presented at Sargeant Hall, this evening, by the leading dramatic company of Washington. The city has often been visited by amateur performers, and while several of their offerings have been most creditably presented, others have not equalled the expectations raised by their flaming advertisements. It is with measure therefore that we announce that the ladies and gentlemen to be with us to-night are well up in their respective parts and as we place at the programme we feel assured that the fun loving public will be amply repaid by witnessing the performance to-night. Miss Lottie Church who essays the leading role in the drama is lately of Kate Caxton's company, and has earned a most enviable reputation by her equanimity as well as pathetic scenes. Mr. Walter L. Dennis, one of Washington's finest actors, makes his first bow to an Alexandria audience as the young lover "Barnard." Al know Mr. J. P. Joyce, and someone to his hands is a sure guarantee of success. Messrs. H. E. Leach and J. B. Randolph are well remembered here, and fill important parts in the plays to-night. Miss A. D. Ware, a cherished favorite here, together with the little child wonder, Eva Henderson, will be most heartily welcomed.

**DEATH OF CAPT. JOHN R. MASTERS.**—Capt. John R. Masters, one of our most estimable citizens, died this morning about 7 o'clock, from an attack of paralysis, the third within a few years. His family left him residing in his parlor last night at 11 o'clock, and not at all complaining, but this morning, about 6 o'clock, his son found him prostrate upon the floor in a dying condition, having been attacked by the fatal disease and fallen in an attempt to reach the door. Capt. M. was sixty-two years of age. He was a native of Bermuda, but came to this country in 1835, and has lived here ever since, respected and esteemed by the whole community. For several years he was engaged in the big game, which years ago he was engaged in the Bermuda trade, but for the last twenty-seven years he has been the trusted and faithful agent of the Borden Mining Company. He married a daughter of the late Thomas B. Baird, but his wife preceded him several years to the grave. He was a retiring and modest gentleman, but full of integrity and genuine worth, and no man would go down to the grave more regretted by all who knew him.

**DISORDERLY.**—An altercation occurred at King street wharf, last evening, between two men, during which one was knocked down and injured by the other with a formidable looking cane or club. The assault was arrested by the police, but broke away from them at the corner of King and Lee streets. He was speedily re-captured and carried to the station house, where Mayor Kemper heard the evidence and required him to give security in the sum of \$250, to keep the peace, failing in which, he was committed to jail.

Considerable excitement was also created near the corner of King and Pitt streets, yesterday evening about six o'clock, by the antics of a drunken man, who entered his residence there and smashed a lamp, setting fire to the house and forcing his wife into convulsions. The fire was extinguished and the wife received the proper attention from the neighbors.

**POLICE REPORT.**—The following cases have been tried since Saturday:

Zach. Baiscoe, for disorderly conduct and abusing Sue Smith, both colored, was dismissed as accomplices' cost.

Georgeanna Day and Sophronia Davidson, both colored, for being drunk and disorderly at Fitchman, were fined and discharged.

George Carter and Ada Stewart, for disorderly conduct, were fined and discharged.

Charles E. Bland and Charles Grady, colored boys, for breaking a window in the store of Messrs. McLean & Under, were made to pay damages.

Win. Hall, colored, for stealing a whip from George Gault, was taken up for examination.

Wesley Brown, colored, for threatening to shoot his wife with a gun, was sent to jail for six days by Justice Pickett.

**YESTERDAY.**—The very threatening weather of yesterday morning, and the rain in the afternoon, had the effect of reducing the congregations at the various churches. Rev. Father Moran, of Washington, preached at St. Mary's Church, in the morning; Rev. Mr. Owe in the Union Presbyterian church, at night; Rev. Dr. Reister, at the M. E. church, Sunday, in the morning; and Rev. G. F. Wallace, at the Baptist church both morning and evening. Dr. Newman preached at Church church at night, and Mr. Dame in St. Paul's church in the evening.

**RAILROAD FACILITIES.**—A number of the prominent merchants of this city have addressed a petition to Mr. John S. Barbour, Receiver of the Middle Road, asking that the hours for reception of freight at the depot here be extended from three to four o'clock. They say that, by the present arrangements they are unable to fill their orders until twenty-four hours after the reception, and are thus put on unequal terms with Baltimore merchants. It is asserted that the railroad company will increase the trade on the Manassas Road.

**PERSONAL.**—Rev. W. A. Cave, Jr., who preached in the Union Presbyterian Church last night, is a son of Mr. W. A. Cave, of this city. He is a graduate of Hampton Sidney College, and his sermon last night proved him to be a young man of ability. It was an earnest presentation of the truth, and without any attempt at display, but it was not without eloquence. Mr. Cave bids fair to be a blessing to the church, as all true, faithful ministers are in these days of error and apostasy.

**HAIL STORM.**—There was quite a violent hail storm accompanied by thunder and lightning on Saturday evening about five o'clock. It lasted sometime and was followed by a heavy rain.

Another storm of hail occurred in Mt. Vernon District, Fairfax county, near this city, yesterday afternoon, and considerable damage was done thereby. The hail although very thick was not large in either case.

**THE CANAL.**—The principal coal companies who are shipping have reduced the rate of tonnage on their boatsmen from 90 and 95 to 85 and 90 cents to Georgetown and Alexandria respectively.

The tug William E. Bell arrived from Norfolk Saturday evening with two canal boats, which will be run on the canal this season.

**PREACHING.**—Rev. Dr. W. M. Murkland, of Baltimore, who is so well and favorably known in this city, and who is, without doubt, one of the most interesting preachers this people have ever listened to, will preach in the Union Presbyterian Church of this city on Thursday and Friday nights next.

**VALUABLE TROTTER HURT.**—The trotting mare, "Lady Mary," belonging to Mr. O. J. Schoolcraft, of Richmond, fell and broke her right hind bone at Brightwood race course, near Washington, on Saturday morning. She will have to be killed.

Improper articles of food often cause the blood to become loaded with foul humors. Cleanse the blood with Dr. Bull's Blood Mixture and be healthy.

**FISH REPORT.**—Since Saturday there have been received at Fitchman about 2,500 shad, which sold at from \$12 to \$15 per hundred, and 200,000 herring, which brought from \$5 to \$6 per thousand.

A schooner boat belonging to Capt. Jerry Robb was stuck while coming up the river on Friday night and a number of articles lost, although the boat was subsequently raised.

**SCHOONER ROBERT PORTNER.**—A dispatch received from Rangoon, dated April 24, from Captain Strange of the schooner Robert Portner, states that the vessel was chartered to take a cargo of rice for the English Channel. In a recent letter from Capt. Strange he says that the schooner is in excellent condition, having had a good passage out with no damage to either sails or rigging.

**REMOVED.**—Messrs. John B. Fossett and J. G. White, the former an employee of the Fitchman road, and the latter a page of the House of Representatives, and both residents of this city, have been notified that their services are no longer required.

**REAL ESTATE SALE.**—Twenty-four and one fourth acres of land in Fairfax county, near this city, belonging to Thomas Cowling, have been sold to Margaret L. and Ada B. C. Stonnell, for \$800 cash.

**SPONGE CAKE PUDDING.**—One cup of flour, one cup of sugar, yolks of three eggs well beat, one teaspoonful, two teaspoonfuls, DOOLEY'S YEAST POWDER, one or two tablespoonfuls sweet milk.
